

Home School Association (HSA) - Uniform Exchange

2017-2018

Thank you to everyone who helps to maintain the uniform exchange program!
Please help continue to keep it going for all of our children attending St. Columbkille School!

Program's Purpose

This program is here to help parents keep the cost of buying uniforms down. Kids grow so fast and outgrow their clothes well before the clothing has worn out. What better way to help each other than to give and get gently worn uniforms. There is NO cost to you for this program, nor is there any limit to the number of times or the amount of clothes you can donate or purchase.. All that we ask is that when your child outgrows their uniforms, and you have no one to hand them down to, donate gently used items to the program to keep it going!

It is run by volunteers who have children at St. Columbkille. It aims to sell good quality, clean, regulation uniforms at approximately half the new price. You can donate old uniforms for the HSA to sell or even exchange for a different size. Pricing sheets are available upon request.

Specifics on uniform requirements can be found online at: <http://www.saintcolumbkilleschool.org/uniforms>

WHAT DO WE DONATE OR SELL?

We sell all current, regulation school clothing. Please do not donate clothing that is not from an authorized uniform company. We ask that all uniforms brought to us are CLEAN and in decent condition (we do NOT wash or repair but do have some spare buttons).

Anything which is non-regulation, un-saleable (marked or damaged) or which remains in stock over three years will be recycled or donated to charity.

HOW DO WE DONATE OR SELL?

If you just want to donate your items, simply drop them off at "drop off day" or call to make arrangements for drop to any volunteer listed below. If you would like to exchange items for another size, you may complete an even exchange (e.g. Dennis Uniform pants for Educational Outfitters pants; Walmart shirt for an Old Navy shirt). Thank you for your donation in supporting the HSA program and for all the great things it does for the children and staff of St. Columbkille!
