Step One:

Review the lab options and screening requiring pre-registration (lab screenings for 12 years and older)

FREE health screenings and assessments including:

- Hearing
- Vision
- Skin Cancer Screening
- Blood Pressure
- Anxiety and Depression
- Spirometry Lung Screening
- Cardiac Risk
- and many more

LOW COST lab screenings:

- Atrial Fibrillation - \$10
- Basic Panel - \$20 (complete blood count, complete metabolic profile and total lipid profile)
- Prostate - \$15
- Thyroid - \$10
- Diabetes - \$10
- C Reactive Protein - \$25
- Vitamin D - \$20
- Complex Thyroid - \$20

Step Two:

Call 402-219-7000 or log onto CHIhealth.com/healthfair19. Select each lab option and screening requiring pre-registration. Your appointment time for the Basic Lab Panel will be the same for any add on draws. All tests will be drawn at the same time.
