

2017-2018 Family Handbook Agreement

Welcome to St. Columbkille School and the 2017-2018 school year. The **St. Columbkille School Family Handbook** is available on the school website at saintcolumbkilleschool.org under the DOCUMENTS tab. If you do not have internet access, please contact the school office and we will provide a hard copy of the handbook. We ask that you take time to review the policies and procedures outlined. It is important that everyone understand the expectations.

We also ask that you keep in mind that education is a continuing process for students, staff, and administration. As we learn, we make changes and adjustments so that all are best served by the knowledge gained. It is difficult to conceive of or anticipate the many situations that arise during any given school year that may necessitate a review of and change in practice or policy. Should revisions of policy or changes in practice be necessary, we will use the school website as the vehicle for communicating these changes.

After you have read the handbook, please sign and date this letter and return it to school on or before Monday, August 21, 2017.

Sincerely,
Brandi Redburn, Principal
