## Buy One/Get One

Yes, we have one more book fair this year. It's the one returning students ask me about every time we have a fair because it's their favorite! You just can't beat a great deal !!!

Tues., May 7-Fri., May 10  
8:00-4:30

**Parents are welcome to visit anytime during the school day!**

For every book you or your child purchase you get one free. If you buy multiple books, you pay for the most expensive, the second is free. You pay for the third most expensive, the fourth is free, etc.

**NEW this spring: using eWallet as a payment method**

**Set up an account online just as you do for your child's lunch allowing your child to spend a set amount. You will only be charged for actual purchases.**

The profit from this fair goes to you the families - to thank you for your support to the library during the year and to encourage your children to keep reading during the summer.
