

Do you have questions about C.A.R.E.? Maybe you aren't sure what it's all about or want to know what Tuition Rewards are or want to learn how to submit orders online. We can help! The basics of the C.A.R.E. Program are on the school website under the Resource tab. We have a Facebook page that we post upcoming bonuses from ShopWithScrip.com (our gift card provider) and events like school restaurant nights and classroom contests. Search 'St. Columbkille CARE' to find us. Like and follow our page to keep updated. You can reach us through email at StCCareCards@gmail.com with any questions or concerns. We can also meet in person to show you how the MyScripWallet.com website for your smartphone works or how ShopWithScrip.com works for placing orders. Just let us know how we can help.

Volunteering with C.A.R.E. is easy, just email us to set up a time to be trained. To fulfill service hours with C.A.R.E. we have many opportunities available – selling at mass, taking inventory, and marketing to name a few. Find the job descriptions under the Stewardship Opportunities tab on the school website.

There are videos on ShopWithScrip.com to explain scrip, online ordering and PrestoPay. Below are links to get to all the videos ShopWithScrip.com has made. They were also posted on our Facebook page last week. They are short and show the basics of scrip. We can answer any questions you may have and walk you through signing up. This is what they look like:
