

Do you have questions about the C.A.R.E. Program? Maybe you aren't sure what it's all about or want to know what Tuition Rewards are or want to learn how to submit orders online. We can help! The basics of the C.A.R.E. Program are on the school website under the Resource tab. We have a Facebook page that we post upcoming bonuses on from ShopWithScrip.com (our gift card provider) and events like school restaurant nights and classroom contests. Search 'St. Columbkille CARE' to find us. Like and follow our page to keep updated. You can reach us through email at StCCareCards@gmail.com with any questions or concerns. We can also meet in person to show you how the MyScripWallet.com website for your smartphone works or how ShopWithScrip.com works for placing orders. Just let us know how we can help.

There are videos on ShopWithScrip.com to explain scrip, online ordering, and online payments. Below are links to get to all the videos ShopWithScrip.com has made. They are short and show the basics of scrip. We can answer any questions you may have and walk you through signing up. This is what they look like:

Volunteering with C.A.R.E. is easy! Just email us to set up a time to be trained to sell. We have many opportunities available to fulfill service hours with C.A.R.E. – selling at Mass, taking inventory, making deposits, and scheduling, to name a few. Most positions do not take very much time per month. Selling at Mass takes 10-15 minutes, but earns you 1 service hour. Scheduling takes about 1 hour per month. This program and the donations we make are only possible through cards sales. We love to be able to give back to St. Columbkille!

C.A.R.E. Classroom Contest

Our first classroom challenge of the year is going to run from **Friday, August 31st to Sunday, September 30th.**

Place your orders online, through school, or at a weekend Mass. We only accept online payments and checks. Please indicate your child's classroom for credit. The class with the most sales wins a treat! The choices are either a donut or ice cream treat for the whole class. Good Luck!

In addition to gift cards, C.A.R.E. sells mini sharpies for your keychain, purse, or car console. They are handy to mark your partially used cards with a balance. Don't get stuck at the checkout with an empty card! Pictured below are the colors we have for sale, at \$1 each. We sell cascading card files which have 10 pockets that hold 2 cards each. They are \$3 and are perfect for purse, pocket, or car console. We can also order gift card envelopes from ShopWithScrip.com. They come in an assorted 10 pack for \$2.
