

Curriculum Nights are being held next week on **Tuesday, August 22 (grades K-6)** and **Thursday, August 24 (grades 7, 8, & Specials)**. At Curriculum Night, you can expect to learn more about what your child will be learning and doing at school this year. Your child's teacher will review classroom procedures and give an overview of their curriculum and major highlights of the year. Each night will be structured a little differently, but please note that the Specials teachers will present on Thursday only, so K-6 parents will need to return on Thursday to hear from those teachers.

**Tuesday, August 22, 6:00-8:00 PM**
