

FOSTERING YOUNG INTUITIVE MINDS INITIATIVE

We the Members of the F.Y.I.M.I Board are proud to announce that our inaugural, \$1,000.00 scholarship will be available this May, 2018.

All graduating eighth graders are encouraged to apply, as we have a unique criterion that focuses on the person and not just the student.

We aim to reward an individual that works hard to make his or her school and community a better place.

Our scholarship recipient is one that displays a high level of loyalty to their commitments, is respectful of others, and is a steward in their community.

Please visit, www.crusadersalumni.com and click on the scholarship tab to complete the application.
