

September 17, 2019

Dear St. Columbkille School Community:

My name is Grace Uptmor and I am in the 7th grade. As part of my two year confirmation program, the first year I will complete a community service project. I really appreciate God's creation in animals and one day hope to be a veterinarian.

For my community service project, I am organizing a drive for "Wish List" items to give the Nebraska Humane Society as part of "National Responsible Pet Ownership Month". This drive will run from September 18 through October 4.

I have made one collection box per grade. Please have your student place their donations in the box. For the grade that has the highest participation, I will provide a treat following the drive! I kindly ask that you try to share the purpose of the drive with your St. Columbkille student and encourage their participation.

All items will be collected and taken to the Nebraska Humane Society on October 5th.

Thank you in advance for your support,

Grace Uptmor

"Remember that when you leave this earth, you can take with you nothing that you have received - only what you have given: a full heart, enriched by honest service, love, sacrifice and courage."
