### I. Stewardship Requirement

We/I understand we must complete the required number of Parent Stewardship hours by Feb. 29, 2020. I understand if I do not meet the Stewardship hours requirement, I will not be permitted to re-enroll my child(ren) for the 2020/21 School year during the initial enrollment period. I will be required to meet with parish/school leadership prior to re-enrollment.

Required to Agree

### II. Stewardship Requirement

We/I understand that our family is expected to pay our tuition in a timely manner by the method we have selected in order to stay in good standing. We also are aware that should we need to seek assistance due to an unforeseen financial difficulty that we will share that with the school and apply for any available tuition assistance.

Required to Agree

### III. Parish Involvement

We/I understand that our family is asked to prayerfully discern how we as a family wish to become fully engaged members of our parish community by meeting our Sunday Mass obligation, taking part in the Sacraments, participating in activities that will strengthen our family spiritually, and building relationships through fellowship. We also understand that the natural outcome of our participation will be the desire to support the parish financially, "for where our treasure lies, there will your heart be." We understand how important the role of parish tithing is in our school's financial stability. I am aware that EFT for parish tithing is available for our family's convenience and that I can sign up for EFT at the Parish Office.

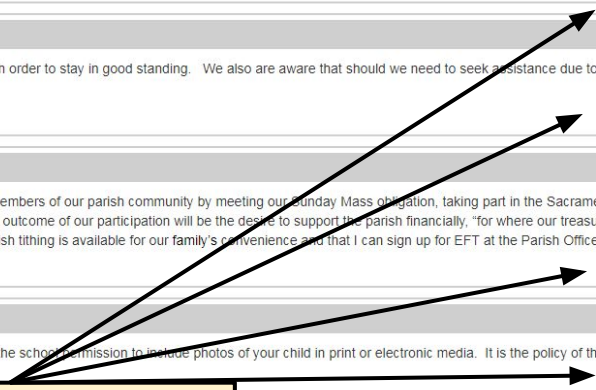

Required to Agree

### Student Photographs

Photographs of students may appear on the school website or on other publications. By agreeing to this you give the school permission to include photos of your child in print or electronic media. It is the policy of the school not to include full names with photos.
