

## ReRuns R Fun Volunteer for Donation

ReRuns would like to offer your non-profit organization an opportunity to raise funds. (Your organization must have their non-profit designation to participate in this program.) If you can coordinate adult help for our upcoming Fall Sale, we'd love to make a donation to your group. Student volunteers are also accepted, but we'd prefer it to be a mix of adult and student participation. (Students must be 14 years or older)

For every 50 hours your organization volunteers for us, we will make a \$500 donation. A minimum of 50 hours is required to join this program. The initial 50 hours must be through 10, 5-hour shifts. Once you've gotten to the 50-hour minimum, we can be flexible with shifts. We prefer each scheduled shift be a minimum of 5 hours, however, we understand students cannot get to us by 3:00. We're willing to do 3 or 4-hour increments if necessary.

**However, we cannot have any shifts shorter than 3 hours.**

Your group's hours must be scheduled through Jenny Ochsner at [Jenny@rerunsfun.org](mailto:Jenny@rerunsfun.org) and fall within the days and times below. When emailing, it is helpful if you put your organization's name and "Volunteer for Donation" in the email subject line to Jenny. An account will be set up where the shifts will be scheduled, and a reminder will be sent to a point of contact from your organization the day before each shift. Your group's contact person would need to forward the reminder to the appropriate volunteer. If you're scheduling students, there cannot be more than 2 per scheduled shift, unless approved by Jenny. We need volunteers that are responsible, motivated and hard working to help us to continue our mission to do good.

**The shifts available are listed below. These will change as we fill the slots. We will continue to send an updated "Shift needs list". We're willing to do a portion of the afternoon shifts to help with school & work (3-7pm, 4-8pm, 5-8pm). 3 hours would be the min. shift time, as long as your organization has met the initial 50-hour requirement.**
