1. **This year you will be submitting auditions via video.** Please make sure the recording of your audition is a performance ready, polished version of your act.
2. The Talent Show will be held in person on the stage in the new Gym. Some acts might show better if they're pre-recorded and played on the big screen rather than performed in person (like a magic act, for instance, or any type of act that includes showing details that can't be seen well from the audience). If you think your act would fit this format better, please check with Mrs. Olson. We won't be accepting professional videos or any videos previously recorded for another purpose (such as a recording from a dance or piano recital).
3. Remember that talent show performances- including costumes, lyrics, content, etc.- need to be appropriate for all audiences.
4. **Email your audition recordings to Mrs. Olson at [aolson@saintcolumbkilleschool.org](mailto:aolson@saintcolumbkilleschool.org) by the end of the day on Sunday, January 16th. Your audition video must begin with your name, grade, and the act you are performing.**
5. We are looking for a variety of acts! We may need to limit the number of acts of the same type if necessary, *and due to time constraints, it is possible that all who audition will not be in the Talent Show.*
