

TECHNOLOGY ACCEPTABLE USE POLICY - STUDENTS

This policy is in effect for students of St. Columbkille Catholic School in grades 3-8. It will be enforced at anytime students are using school accounts or school equipment. It will also be enforced if students are using their own devices on school property or during school hours. In addition, if students are using their own equipment and are off school property, this policy may still be in effect if students are involving staff members of St. Columbkille Catholic Schools. Keep in mind that the mission statement of our school is "Growing in spirit, mind, and body as disciples of Christ." Student behavior that is inconsistent with that mission statement can and will be subject to the discipline policy.
