

# HOLIDAY BAKING AND SHOPPING SEASON IS HERE!

Thank you for supporting the C.A.R.E. program. Because of the funds we raise C.A.R.E. is able to donate \$1000 for St. Columbkille's Thanksgiving meals ever year. See the parish website for volunteer opportunities to help with packing and delivering Thanksgiving meals to those in our community. Have a Blessed Thanksgiving!

Stock up on grocery cards for all your holiday meals and baking season. Have a cookie making or decorating day with your family to celebrate the season. Or you can host a cookie exchange with your friends and neighbors. You can give back to the church and school while you make holiday memories!

## *CHRISTMAS IN NOVEMBER*

*Tis the season for shopping, cooking, and stress,*

*When last minute needs put your patience to the test.*

*Now is the time to list who has been naughty and nice,*

*Let C.A.R.E do the rest, here's some advice.*

*Pick your gift cards early, don't want to run out,*

*It's the best way to shop, without going about.*

*Don't forget Aunt Betty, the priests, and neighbors,*

*All those who help through the year with labors.*

*Special orders and gift cards are ready now, so remember,*

*Let us help you shop Christmas in November.*

*Then the real reason for the season can happen in December!*

*Order early and avoid the rush!*
