

# WONDER MOVIE EVENT

We are so thankful for all of your support in this school- wide movie event. We will have Positive Peer volunteers greeting you as you arrive to Twin Creek theater this Saturday. They will be handing out your movie tickets, serving concessions, distributing St.

Columbkille's "precept" cards, kindness buttons and bracelets for each child. Everyone will also receive a "I am a WONDER" note card that will be used to tape on your back. As you visit with each other and find your seats in the theater, all families are invited to walk around and write positive comments on these note cards. "I am a WONDER because..." and then you fill in the blanks. Each child can then take this card home with them after the show and see all of the good things about themselves, as seen through the eyes of their peers. We hope to fill up each child's card with all the great things that make them WONDERS! The Secret Agent Kindness Group will also be collecting free will donations for the Children's Craniofacial Association at this time. Your support is greatly appreciated!
