

THANKSGIVING DINNER FOR FAMILIES IN NEED

This year St. Columbkille Parish will provide Thanksgiving dinners for families in Sarpy County. We are asking school families and RE families to help us. Below is a list, by grade, of items needed for these meals. If you could please send the appropriate item(s) to class with your children during the week of November 15th-19th, 2021. Food donations will be picked up from the school and RE office. Thank you for helping these families. People are very grateful for the help you provide with these groceries. Again thank you and Happy Thanksgiving.
